Early Literacy Make and Take -  
Cordoroy

---

A chance for early educators to bring the books they read to their class to life! During the class we will touch on the benefits of having a literacy rich environment. We will review the ten important reasons why you should read to the children in your care. Using the book as a base, we will create 5-7 activities that relate to the WMEELS performance standards. Participants will also look at ways to use the materials for family engagement. Participants will also receive one copy of the book.

### **Learning Objectives**

---

1. Participants will make 5-7 learning activities to be used with the children in their care.
2. Participants will understand ways to use or share the activities with families to extend the learning.
