Early Literacy Make and Take: Fish is Fish

A chance for early educators to bring the books they read to their class to life! During the class we will touch on the benefits of having a literacy rich environment. We will review the ten important reasons why you should read to the children your care. Using the book as a base, we will create 5 – 7 activities that relate to the WMELS performance standards. Participants will also look at ways to use the materials for family engagement.

Participants will receive one copy of the book.

Learning Objectives

- Participants will make 5 – 7 learning activities to be used with the children in their care.
- Participants will understand ways to use or share the activities with families to extend the learning.
